Applicants are expected to review and be familiar with all of the policies and procedures for MCG Career College, Inc., in particular the contents of the Domestic Student Handbook.

4. Police Information Check

According to the Protection for Persons in Care Act, clinical partners require a clear Police Information Check (PIC) including Vulnerable Sector Search (VSS). Any criminal code offence for which a pardon has not been received may be a deterrent to a student's entry into practicum or even the program. In cases where a PIC or VSS is not clear, the Dean or designate will conduct a formal assessment to determine whether the student would be permitted to enter the program.

5. Standard First Aid with CPR Level C and AED

Students are required to provide proof of completion of the Standard First Aid with CPR Level C and AED course. Students need to maintain current certification throughout the program including practicum.

6. Computer Literacy

Students are required to be computer literate for success within this program. The program utilizes blended learning approaches and harnesses the benefits of technology throughout the program. This includes, but is not limited to, word processing, spreadsheet creation, utilization of a learning management system, email management and web-based activities.

7. Health Requirement

This program may be difficult for any students with arm, back, shoulder, wrist, or neck problems, due to the nature of activities required while performing the duties of a medical office assistant and unit clerk. College staff would be happy to discuss this with students that have concerns in this area. It would also be advisable to contact your family physician to consult.

8. Immunizations

Students are required to provide proof of immunization status. Without complete and acceptable immunization status, practicum sites may refuse to accept students as per their organizational requirements, which could prevent successful completion of the program. By signing this application form, it is acknowledgement that this requirement is outside of the control of MCG Career College and is at the discretion of the practicum site. If they refuse to accept a student based on immunization status MCG Career College cannot necessarily find a replacement practicum site (one may not be available) which would result in the student not being able to complete practicum, which would not satisfy the requirements for completion of the program.

Immunization List:

Rubella (MMR3)
Measles, Mumps (MMR3)
Tetanus, diphtheria (Td)
Pertussis (dTdap)
Varicella, Chicken Pox (Vz)

9. Workplace Hazards and Personal Protective Equipment (PPE)

Applicants must wear PPE as directed by the College. It is understood that these requirements may change as the situation warrants. Non-compliance will result in misconduct and could require students to leave the program.
